# Custom Made

## Custom Made Cardboard Cartons

Self folding cartons, die cut inserts, high quality lithographic and screen-printing, cello glazing and varnish finishing.

Have your custom made cartons delivered within 7-10 working days.

The Cardboard Box Shop has full production facilities to manufacture your corrugated cartons in a very short time. **Small or large quantities** can be delivered to your door within 5 days in most cases. We **stock a large range** of board grades to suit general packaging, heavy duty shipping, meat and produce industries and export requirements.

There are a number of different carton styles to choose from, standard regular slotted cartons, five panel fold, corrugated sheets and pads, die cut cake and pizza style cartons are also available.

**Full design and die cutting capabilities** in corrugated or solid board for sheets up to 2 metres in width and 3 metres in length. From standard self folding cartons to full colour printing with cello glazed finish, the possibilities are endless. CBS can also provide spare parts boxes or die cut cartons in solid board materials when extra strength is required.

**Die cut inserts are also available** to secure products in the packed carton. Size or shape are virtually unlimited, we can design inserts and cartons to suit the desired product. Please contact us for further information.

With over **50 years** in the corrugated industry we can provide you with the information and products required to transport your goods safely and economically.

If you require your cartons **within 48 hours**, we have over 60 stock size cartons on floor for immediate delivery .

**Zayne (grandson) has now also joined the team, helping design and print all of our clients custom cartons.**
